

I'm thrilled that you are ready to take action towards improving your home management skills! Homemaking is a lot of work, but homemaking is also a labor of love and creative expression.

Use this checklist as a quick start guide to assess areas of your home management to improve or change as needed.

## Home Management Skills Checklist

- Simplify your home
- Communicate your needs to your family
- Expand your creativity and resourcefulness
- Adapt and adjust as your family's needs change
- Create plans, schedules & routines
- Embrace maturity & wisdom (seek help)
- Practice Gratitude & patience
